

PROCEEDINGS OF THE BROWN COUNTY
PUBLIC SAFETY COMMITTEE

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Wednesday, September 2, 2009 at the Emergency Operations Center, 3030 Curry Lane, Green Bay, WI

Present: Carole Andrews, Bill Clancy, Andy Nicholson, Andy Williams
Excused: Tom DeWane
Also Present: John Zakowski, Susan Tilot, Dennis Kocken, Don Hein
Jim Nickel, Shelly Nackers
J.D. McKay, Jean Eckers, Lisa Wilson, Neil Basten
Lois Mischler, Bob Heimann, Supervisor Mary Scray
Tom Hinz, Jayme Sellen, Other Interested Parties, Media

- I. **Call Meeting to Order:**
The meeting was called to order by Chairman Andy Nicholson at 5:00 p.m.
- II **Approve/Modify Agenda:**
A request was made to move items 13 & 14 forward and to take them together.
- Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve the agenda as modified. MOTION APPROVED UNANIMOUSLY**
- III. **Approve/Modify Minutes of August 5, 2009:**
- Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY**
1. **Review Minutes and Reports of:**
- a. **Fire Investigation Task Force General Membership (5/28/09)**
 - b. **Special Public Safety Committee (8/25/09)**
- Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place and place on file 1 a & b. MOTION APPROVED UNANIMOUSLY**

Communications:

2. **Communication from Supervisor Scray re: Review BC requirements of ID when applying for any Social Services from the County. Discuss the possibility of making Brown County requirements of ID stricter to prevent fraud. (Referred from August County Board):**

Supervisor Scray explained her concerns regarding better verification of applicants applying for County benefits in order to avoid fraud. Scray asked that this item be held for 30 days to allow her time for further research.

Supervisor Williams pointed out that yesterday, 9/01/09, ten cases of fraud were filed with the District Attorney's office (list distributed)

Present identify requirements were discussed and Supervisor Scray stated they are vague and she has been told there is a risk of "over verifying". Again, she asked for time to do further research and bring back to committee.

Motion made by Supervisor Williams and seconded by Supervisor Clancy to hold for one month. MOTION APPROVED UNANIMOUSLY

District Attorney:

3. Monthly Drug Criminal Complaint Numbers (standing item):

Handouts relative to "Criminal Drug Charges filed in August 2009", along with "August 2009 Demographics" were distributed (attached).

- District Attorney, John Zakowski, announced that interviews are underway for a Drug Task Force Attorney. A decision will be made in order for the individual to begin on 9/20/09.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

4. Request for Budget Transfer (#09-57): Interdepartmental Transfer: Request to cover the 2008 deficit of \$40,362 for the District Attorney (see attached for details):

This budget transfer again is a request to cover the 2008 deficit of \$40,362 for the District Attorney's office. The shortfall was attributable to the reclassification of legal assistants to a higher rate of pay, casual payouts, overages of student/extra help along with an overage in paper service. The overage was due to increased process fees and an increase in the number of rescheduled cases requiring subpoenas to be served multiple times.

Supervisor Williams asked if there were savings from vacant attorney positions, and Susan Tilot explained that because they were state attorneys, any savings went to the state.

Further discussion resulted in Supervisors Nicholson and Williams stating they would not support the transfer and preferred it go before the County Board.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve.

Ayes: Andrews, Clancy

Nays: Nicholson, Williams

MOTION FAILS

Sheriff:

5. Key Factor Report for September and Jail Average Daily Population by Month and Type for the Calendar Year 2009:

Don Hein distributed revised figures for the period covering May 2006 to July 2009 (attached), explaining that original reports did not separate the number of "lock-up" inmates held in the Work Release Facility so double-counting issues occurred.

Also distributed was a report of "Jail Capacity by Pod Plus Actual Averages" for August 31, 2009. (See attached). This report shows the jail at 93% capacity.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

6. Request for Budget Transfer (#09-58): Interdepartmental Transfer: Request to cover the Sheriff's 2008 deficit in the amount of \$1,034,553. (See attached for details):

This request to cover the Sheriff's 2008 deficit in the amount of \$1,034,553, was attributed to a shortfall in overtime and projected jail revenues that failed to materialize. Sheriff Kocken explained that although 70 inmates were predicted to be boarded, numbers dropped. Originally the department predicted 50, and the County Board added an additional 20. A second significant reason for the revenue shortfall was a decrease in Huber prisoner revenue as economic conditions resulted in a lower number of inmates being employed.

Discussion by the committee resulted in Supervisor Andrews stating she understood it was difficult to predict the economic downturn and Huber employment, however, Supervisors Nicholson and Andrews preferred to take the matter to the County Board.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve.

Ayes: Andrews, Clancy

Nays: Nicholson, Williams

MOTION FAILS

7. Request for Budget Transfer (#09-73): Increase in Expenditures with Offsetting Increase in Revenues:

Due to the resignation of an officer assigned to the Village of Allouez, and a wish to leave the position unfunded for the remainder of 2009, a pro-rated decrease of revenues and a corresponding decrease in expense exists.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

8. Sheriff's Report;

Sheriff Kocken reported that inmate labor totaling 1386 hours was utilized at the Brown County Fair. He hopes to expand this program, with a request to the

Court to recognize that time served on a work crew would be time off the total sentence. He encourages other departments in Brown County to take advantage of this program.

Supervisor Williams suggested that part-time summer positions be filled through this program. Executive Hinz indicated that he has discussed the possibility of using inmate labor to cut center lanes, etc. with Highway Commissioner, Brian Lamers.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

Teen Court:

9. July 2009 Teen Court Stats:

Lois Mischler referred to her report in packet material, reporting there were eight successful completions in July. Because there is a sufficient team of volunteers at this time, and because it is unknown if this program will be funded in 2010, there will be no further training.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

Public Safety Communications:

10. IFERN/MARC Repeater ID Homeland Security Grant Award:

10a. Request for Budget Transfer (#09-74): Increase in Expenditures with Offsetting Increase in Revenue: Homeland Security has approved our grant application to fully fund adding identification to the MARC Repeater and partially fund a new IFERN station:

Jim Nickel reported that Brown County has been awarded an IFERN (Interoperable Fire Emergency Radio Network) station in Brown County.

Homeland Security has approved Brown County's grant application to fully fund, adding identification to the MARC Repeater, and partially fund a new IFERN station. The local match of \$2,694 will come from Public Safety Communications non-outlay funds. Total grant allocation is \$18,878.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve 10 and 10a. MOTION APPROVED UNANIMOUSLY

11. Green Bay Back-Up 800 MHz Station at Lambeau Field:

Mr. Nickel informed the committee that lightning damaged the 800 MHz back-up station for Green Bay Police at Lambeau Field. The station and antenna will be replaced as soon as possible from the final phase of the Radio Interoperability Project budget already approved in 2009 bonding.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

12. **Director's Report:**

Mr. Nickel distributed a written report (attached), highlighting items related to Foxcomm, Computer Aided Dispatch (CAD) project, changes to shift hours, etc.

Nickel reported that although Sprint/Nextel did approve a request to change the new Grenwatch system configuration for Green Bay Transit, there were so many changes added that it was not signed. When challenged, Sprint did remove the undesired changes from the document.

Nickel informed the committee that after the CAD project is operational, he intends to draft RFP specifications for a radio consultant. Cost was included in the 2009 first phase project bonding.

(See written report for details.)

Supervisor Clancy asked regarding the 75 cent tax which was to come to the 911 Communications Center. Nickel explained that has changed and the tax will now go to the general fund. Nickel stated this is a tremendous loss in terms of ability to fund operations and new technology.

Motion made by Supervisor Andrews and seconded by Supervisor Williams to receive and place and place on file. MOTION APPROVED UNANIMOUSLY

Clerk of Courts:

13. **Request for Budget Transfer (#09-55): Interdepartmental Transfer: Request to cover the Clerk of Courts 2008 deficit in the amount of \$57,379. (See attached for details):**

Circuit Court:

14. **Request for Budget Transfer (#09-56): Interdepartmental Transfer: Request to cover the Circuit Courts 1-8 2008 deficit in the amount of \$72,759. (See attached for details):**

#'s 13 & 14 - Clerk of Courts & Circuit were taken together.

A request by the Clerk of Courts for a budget transfer to cover a 2008 deficit in the amount of \$57,379 was discussed. Lisa Wilson explained the shortfall was mainly attributable to the reduced collection of fines and forfeiture revenues, particularly County Ordinance Forfeitures. Both County Ordinance Forfeitures and Penal Fines for County Civil Fees were affected by the economy. Although there is a process for collection, i.e. tax intercept, collection agencies, warrants for past due balances, and civil judgments, payments are not always made. Bail forfeitures have also had an effect, as well as interest on investments.

Questions from Chairman Nicholson regarding the deficit in County Ordinance Forfeitures for \$53,379 were explained by Neil Basten, who stated it is due to unsuccessful collections. When asked why persons not paying are not put in jail, Judge McKay explained there is not a law which incarcerates for non-payment. Other factors are considered before such would occur. Non-payment does not generate a warrant for incarceration. In addition, McKay explained that

individuals who are not paying child support are only incarcerated if they are in contempt of court. If charged and ignore the process, a warrant can be issued

The request is to cover the Circuit Courts deficit in the amount of \$72,759 was explained by Judge J.D. McKay who stated this shortfall is attributable to overages in jurors and daily fees, stating that when a sequestered or multiple-week jury trial occurs, it is easy to exceed budget expectations.

McKay further explained that judiciary costs will continue to fluctuate based on need, i.e. doctor examinations (a requirement for an examination of the subject by two independent examiners), and interpreter services. McKay also pointed out that budgeted salaries for eight judicial assistants accreted into the courthouse bargaining unit will most likely be insufficient.

Questions were asked by the committee and Judge McKay attempted to explain that they budget to their best of their knowledge, however, they just do not know what some of the expenses will be.

Supervisor Andrews asked if it is possible to create a fund to meet unexpected expenses which could be carried from year to year, to which Judge McKay responded such funds have been avoided as they are difficult to justify.

Judge McKay explained that a new process has been implemented for failure to pay appointed attorney fees. If brought before a judge and held in contempt, offenders can be jailed. Notification letters were sent out July 1st, with a 60 day request to pay fines. Supervisor Williams questioned the present rate of \$70 per hour for appointed attorneys, suggesting it be reduced. McKay stated that although he was willing to look into this idea, questioned that it would effect the problem.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve both 13 & 14, Budget Transfers related to 2008 deficits for both Clerk of Courts & Circuit Court. (No recommendation to the County Board)

Ayes: Andrews, Clancy

Nays: Nicholson, Williams

MOTION FAILS

Supervisors Nicholson and Williams stated they would like the matter to go before the County Board. Judge McKay pointed out that he has authority to order the Treasurer to pay accounts if they are due without County Board approval.

(Back to item #1 on the agenda)

15. **Closed Session: Pursuant to Sec. 19.85 (1) (c), Wisconsin Statutes to consider the potential employment of several individuals at the Communication Center:**

Motion made by Supervisor Williams and seconded by Supervisor Clancy to enter into Closed Session. Roll Call: Andrews, Clancy, Nicholson, Williams Excused: DeWane MOTION APPROVED UNANIMOUSLY

Motion made by Supervisor Clancy and seconded by Supervisor Williams to return to regular order of business. Roll Call: Andrews, Clancy, Nicholson, Williams Excused: DeWane
MOTION APPROVED UNANIMOUSLY

Recording Secretary excused 6:30 p.m.

Result of Closed Session:

Motion made by Supervisor Williams and seconded by Supervisor Andrews to direct the County Executive to come back next month with more information regarding the potential employment of several individuals at the Communications Center with a possibility of a Closed Session.
MOTION APPROVED UNANIMOUSLY

16. **Medical Examiner** No agenda items.

Other:

17. **Audit of Bills:**

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve audit of bills. MOTION APPROVED UNANIMOUSLY

18. **Such other Matters as Authorized by Law: None**

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to adjourn at 6:47 p.m. MOTION APPROVED UNANIMOUSLY

Respectfully submitted,

Rae G. Knippel
Recording Secretary

Director

Director's Report September 2, 2009

1. 2010 Budget

We have prepared the department's 2010 budget package and made our formal budget presentation to the Administration on August 11th.

2. Foxcomm

On August 26, the Brown County Termination Agreement and the Motorola Technical Document describing how the data would be transferred between systems was discussed at the Foxcomm Executive Committee meeting. This committee recommended that the Foxcomm Fiscal Advisory Board approve them at their September 3 meeting.

We have emails stating Foxcomm personnel will sign the Technical Document on 9/3. We need approval of both documents at the 9/3 meeting to have access to copy Brown County data to our new CAD system.

3. Computer Aided Dispatch (CAD) Project

Brown County's CAD project began in July with delivery of the new HP Non-Stop computer. Physical installation began as scheduled on July 28th and remote software installation began as scheduled on August 10th. We are well underway.

Since Foxcomm has blocked Motorola's ability to copy the configuration data over to our new system, the project schedule has been delayed. The new target date for operation is the end of October, assuming our data is available in early September.

4. Personnel

Kate Morrow retired September 1 after 31 years with Brown County. We will miss her.

Renee Ruiz, a seven year Telecommunicator, has accepted the position as Supervisor in the Communications Center. She replaces Judith Weshinsky-Price, who took a job with the Amarillo, Texas Police Department. Renee begins training September 8.

5. Shift Hour Changes

After analyzing our call traffic, the operations team decided to move the 911 Center shifts back one hour next year. Implementation will begin in mid-January, 2010.

12

6. Sprint/Nextel 800 MHz Rebanding

We are now in the "true-up cost" process of Rebanding. Sprint/Nextel did approve our request to change the new Genwatch system configuration for Green Bay Transit. The FCC licenses have been modified. Our latest FRA agreement had so many changes added by Sprint/Nextel that we refused to sign it. When challenged, Sprint did remove the undesired changes from the revised FRA document.

7. Homeland Security Grant

Homeland Security has approved our grant request for an IFERN station and to add identification to the existing MARC repeater. One IFERN station is not enough to solve the fire communications problems, but it was 85% Homeland Security money. We will cover the remaining 15% (\$2696) from our 2009 equipment budget.

8. Lambeau Field Back-Up station

Lightning damaged the 800MHz back-up station for Green Bay Police at Lambeau Field. The top two inches of the antenna was blown off and the old transmitter was used for parts for the main back-up station at the Green Bay Police Department.

It is important to have a back-up for Police operations when we have over 70,000 people at a NFL game. We will replace the station and antenna as soon as possible from the First Phase of the Radio Interoperability Project Budget already approved in 2009 bonding.

9. Radio Consultant

After our CAD project is operational; I intend to draft RFP specifications for a radio consultant to assist us with this major procurement. This cost was included in the 2009 first phase project bonding. The first step will be identifying requirements from our users before engaging the industry next year.

10. "Inside Business"

The television show, "Inside Business" will be filming a segment at our 911 Center in late October. It will highlight what a 911 Telecommunicator does and how training is key to helping them perform their jobs.

The ten minute segment will air on CNN Headline News and on MSNBC early next year. We are pleased they have chosen our 911 Communications Center from the many Centers in the US.

Regards,

Jim Nickel
Director
